

Hazardous Waste 2009 Biennial Reporting

The 2009 Biennial Report for all Large Quantity Generators and TSD Facilities is due to the Virginia Department of Environmental Quality (VADEQ) by March 1, 2010. This report is for hazardous waste generated in calendar year 2009. If you have not received an Instruction Book from the VADEQ (quantities are limited), the material is available online. The USEPA web site is:

<http://www.epa.gov/epawaste/inforesources/data/biennialreport/index.htm>

In addition, the report can be filed online at:

http://www.arminc.net/ARM_Home/default.asp

Note that if you file online, you must still submit a signed paper copy of the completed RCRA Subtitle C Site Identification Form (EPA Form 8700-13A/B, Revised 11/2009) to the VADEQ. For more information, contact Daniel S. Gwinner at 804-698-4218 or daniel.gwinner@deq.virginia.gov.
